

## Study of eleven and twenty-two

### 11

GE 32:22 And he arose that night and took his two wives, his two female servants, and his **eleven sons**, and crossed over the ford of Jabbok.

Who was missing in the above scripture? Benjamin had not yet been born. It is a number that is insufficient or incomplete.

GE 37:9 Then he dreamed still another dream and told it to his brothers, and said, "Look, I have dreamed another dream. And this time, the sun, the moon, and the *eleven stars* bowed down to me."

Who are these eleven stars? What do the sun and moon represent?

This is an interesting allegory. All through scripture we read of the sun and the moon as well as the stars, and here the Lord gives us an interpretation. The Sun represents the Lord himself (the father), one who gives light = truth. The moon is the mother, or rather Israel, which shines by reflected light and at this point does not have access to the Spirit. The sons are stars but one is missing so the number is not complete. These may represent the children of Israel without the Lord. He does say later that every knee will bend and every tongue confess that Jesus Christ is Lord, (The saved as well as the unsaved). Here, of course, the sun is Joseph's father and the moon his mother.

LU 24:33 So they rose up that very hour and returned to Jerusalem, and found the **eleven** and those who were with them gathered together,

Judas had hanged himself and the **eleven disciples** were alone. Jesus was yet to show himself to all of them.

Without Christ they were alone and incomplete.

Judg 16:5

5 The rulers of the Philistines went to her and said, "See if you can lure him into showing you the secret of his great strength and how we can overpower him so we may tie him up and subdue him. Each one of us will give you **eleven hundred shekels** of silver."

Those of the secular world that enjoy unclean things offer their own version of salvation leading to freedom to sin with the number 1100. It is used to destroy & deceive a godly man. It is an offer without Christ.

1CH 12:28 Zadok, a young man, a valiant warrior, and from his father's house **twenty-two captains**;

Zadok, from scripture, was the finest priest of the Old Testament. He and his men are symbols of those who will rule at the end of our age. Twenty-two captains: two sets of eleven in this age, will rule and reign with Christ. This is completely through grace.

Interestingly Zadok was eleventh in descent from Aaron.

2CH 13:21 But Abijah grew mighty, married *fourteen* wives, and begot **twenty-two** sons and *sixteen* daughters.

14 A time for an offering made by fire (Christ & The Two) that will complete the final payment (redeem) a **feminine being** that will bring much joy to her and to her groom. When this occurs she will come into a great inheritance and she also will be allowed to destroy all those that have harassed her in the process. It seems that the time for realization of all of this points to the very end of this age.

22 Redeemed leaders belonging to the priesthood but perhaps not including the top two.

With the top two under Christ we would have 24 which is a number designation completion of a portion of the bride at the end of this age. It also seems this number is associated with those who will rule and reign with Christ. Judgment is associated with this number.

16 As this number is a double of eight which is repentance for sin when shown the mirror the number sixteen from scripture designates the completion of this process at the end of this age. Sanctification is complete (2 Chr 29:17)

JUD 10:3 After him arose Jair, a Gileadite; and he judged Israel twenty-two years.

Here judgment is associated with twenty-two.

JUD 20:21 Then the children of Benjamin came out of Gibeah, and on that day cut down to the ground **twenty-two thousand** men of the Israelites.

Above, with the number 22 000 we see Benjamin being used to test the Israelites. The Lords will that judgment occur during this battle. These men during the Old Testament were killed for their sins.

2SA 8:5 When the Syrians of Damascus came to help Hadadezer king of Zobah, David killed **twenty-two thousand** of the Syrians.

Above David (Christ Crucified) judges the unregenerate Syrians and they are killed.

1KI 8:63 And Solomon offered a sacrifice of **peace offerings**, which he offered to the Lord, **twenty-two thousand bulls** and one hundred and twenty thousand sheep. So the king and all the children of Israel dedicated the house of the Lord.

Solomon (Christ at His second advent) offered up 22 000 Bulls as a sacrifice of a peace offering. The Lord's will that some would die that others might live.

1KI 16:29 In the thirty-eighth year of Asa king of Judah, **Ahab** the son of Omri became king over Israel; and Ahab the son of Omri reigned over Israel in Samaria **twenty-two** years.

Ahab or the Anti-Christ will be allowed to rule for a period of time (seven years – the tribulation week) for the purpose of revealing sin so that it might be judged and paid for. Christ and His, will judge but sin will be revealed during the two times of tribulation within the seven years of the tribulation week.

NE 11:12 Their brethren who did the work of the house were ***eight hundred and twenty-two***; and Adaiah the son of Jeroham, the son of Pelaliah, the son of Amzi, the son of Zechariah, the son of Pashhur, the son of Malchijah,

This house is the house of God. In our time a living temple, the bride of Christ.

2 = grace is given to become through

20 = the Lord ordained prayers of saints

800 = set free to serve our Lord
